- He recently released "Beautiful People" which you can take a listen to here: Chris Brown Beautiful People

21-year old **Chris Brown** is on the verge of a huge comeback in 2011. On the music front, Brown has scored 3 Grammy nominations and currently has 3 singles on the chart including the smash single "***YEAH 3X***." You can view the video and listen to the song on his official website www.chrisbrown.com. Brown is preparing to release his highly anticipated new album F.A.M.E (Jive Records) in March which is projected to be a #1 album. **Chris Brown's** single **"*Deuces,"*** also rounded out 10 weeks at # 1 on Billboard's Mainstream R&B/Hip-Hop chart, longest running record on this chart at #1 in 2010, to date. The remix of the track features **Andre 3000**, **Drake**, **T.I**, **Kanye West** and **Fabolous**. His peers and fellow top selling recording artists were proud to have come together in support of Brown on this hit record.

Below is more information on Brown and also the launch of his new lifestyle website MECHANICAL DUMMY – www.mechanicaldummy.com . The new site will serve as the supreme destination for knowledge on artists, fashion icons and urban culture enthusiasts. **Mechanical Dummy™** includes breaking news on the risk-taking 'street art' movement. Featured artists whose collective work inspire the site vision include: Graffiti Artist **Banksy**, Contemporary Artist **Ron English**, **Barry Le Va**, Cuban Artists **Los Carpinteros**, Street Artist **Robin Rhode** and

breaking Australian Graffiti Artist **Kid Zoom**. A series of webisodes will be produced, headlining with a behind-the-scenes look at **Brown's** collaboration with **Big Sean** on the newly released mixtape ***'In My Zone 2'*** called **"Watch It Glitter"** and up close interviews with **Chris Brown** himself. **Mechanical Dummy™** is providing an interactive, one-of-a-kind experience for viewers to be a part of an art revolution that will change history.
